**ART UNIT: 2628**

Dear Sir:

This is a Comment on Statement of Reasons for Allowance, the Allowance mailed on 2<sup>nd</sup> July, 2007. This Comment is timely filed and accompanies the Issue Fee.

In the telephone interview between the Examiner and Applicant's Agent, the Examiner proposed amending Claim 1 to recite the phrase "a graphical user interface control". Applicant's Agent agreed to the amendment.

In the Examiner's Amendment, the Examiner stated "The application has been amended as follows". Applicants believe that Examiner meant that "Claim 1 has been amended as follows" and that therefore Claim 1 has been amended to include the phrase "a graphical user interface control". The Examiner has canceled Claim 10 that recites "a graphical user interface control".

Applicant submits that a graphical user interface control as disclosed in the specification at page 6, lines 10-17 and at page 22, lines 13-19, is by means of example and not to limit the different meanings of a graphical user interface control.

Respectfully submitted,

A handwritten signature in black ink, consisting of several overlapping, slanted strokes followed by a long horizontal line extending to the right.

Dated: September 25<sup>th</sup>, 2007
